

# SOCIALLY RESPONSIBLE NETWORK'S

## Annual Budget Update

This annual event is hosted by the Socially Responsible Network (SRN), a networking group of over 250 Community Based Organizations throughout the Bay Area. This Presentation is targeted for service providers and community activists and will give an insiders few on this years budget. Panelists will discuss the effects of the 2006 Fiscal Year budget on health care, social services, public protection and other areas that will directly affect your work in the community.
